## A Brief About the Founder

Let's introduce Dr. Piyali Goswami, the founder of our consultancy. With over 8 years of experience as a doctor, Dr. Goswami has learned a lot about healthcare. She's really good at understanding medical issues and finding ways to help people feel better.

Dr. Goswami cares a lot about patients. She always takes time to listen to their concerns and make sure they get the best care possible. That's why our consultancy focuses on making healthcare better for everyone.

As the founder, Dr. Goswami leads our team with kindness and smart thinking. She wants us all to work together and find new ways to help people live healthier lives.

Join us as we follow Dr. Goswami's lead to make healthcare better for everyone. We're excited to make a difference with her!

Our commitment to excellence and honesty enables us to guarantee that students feel confident and at ease during the admission process. Our vision extends beyond admissions.
